PROFILE

A dynamic Product Designer with a diverse experience in governance, technology strategies, and product design. With a proven ability to develop innovative solutions that address complex challenges while maintaining a strong focus on user needs and compliance. Adept at collaborating in high-pressure environments, leveraging creativity and teamwork to drive impactful results. Passionate about building products that enhance lives, with a keen eye for detail and a holistic approach to design and development. Committed to continuous improvement and delivering excellence in every project undertaken.

EMPLOYMENT HISTORY

Solutions Designer, EISNERAPMER IRELAND

Dublin

May 2023 — May 2024

Worked as a Solutions Designer in the firm's Solutions department, specializing in creating governance, risk, and compliance technology solutions for clients. Utilized Figma and a host platform to develop and implement online solutions. Additionally, contributed to designing marketing materials, including websites, posters, and brochures.

Analyst, EY IRELAND

Dublin

Sep 2022 — May 2023

Worked as a Design Analyst in the Strategy and Transactions department as part of a diverse team, designing technical solutions for major transport projects in Dublin, including MetroLink and the development of Student Leap Cards. Additionally, contributed to marketing projects, including website design and graphic work.

Waitress/Bartender/Barista, WITHTASTE CATERING

Dublin

Aug 2018 — Aug 2022

Worked in various roles, including waitress, bartender, and barista, and provided catering services for events such as the Dublin Horse Show and the Bloom Festival. Recognized as Employee of the Week twice during the Dublin Horse Show.

EDUCATION

BSc (Honours) in Product Design, Technological University Dublin

Dublin

Sep 2018 — Jun 2022

Graduated with a Second Class Honours, First Division (2.1)

Leaving Certificate, Institute of Education

Dublin

Sep 2016 — Jun 2018

Leaving Certificate, Loreto Abbey Dalkey

Dublin

Sep 2012 — Jun 2016

COMPETITIONS

Design Competition, Technical University of Cluj-Napoca

Cluj-Napoca

Jul 2022

Participated in and won first place in a design and entrepreneurship competition hosted by the Technical University of Cluj-Napoca, Romania, after completing a BSc in Product Design. Developed a product aimed at improving education for young people in developing countries.

EY NEXTGEN Woman Competition, EY Ireland

Dublin

Feb 2022

Selected to participate in EY's 2022 NEXTGEN Women competition during the final year of college and advanced to the finals. The competition focused on entrepreneurship, leadership, and teamwork in designing solutions for provided case problems.

ENGINEERS WITHOUT BORDERS WTINE Competition, EWB Ireland

Dublin

Jul 2021

Participated in and won 1st place overall in the 2021 Engineers Without Borders (EWB) 'Where There Is No Engineer' (WTINE) design competition during the third year of college. Collaborated with a team to develop a sustainable solution for improving access to education in underdeveloped schools in Zambia.

Leaders of Tomorrow Competition, ACCENTURE

Dublin

Jan 2019

Qualified for and competed in Accenture's Leaders of Tomorrow competition during the first year of college, focusing on team building and innovative thinking.
